Peasant Girl in Blue Kerchief 5pc./6" #114052

Easter Craft Project

Design your own nesting Easter eggs! Martha Stewart demonstrated this project on her TV show using one of our egg sets. Inspired by her Aracana banty hens, she painted hers a gradient of pale green shades. Anyone can do it, and any type of paint works well. They come pre-sanded and ready for the whole family to paint.

Rooster & Hen Doll 4pc./3"

Keekareekee! cries the rooster in Russian. The proud cock opens up to a motherly hen that hides within her a pair of peeps, two cute little biddies.

#190041-R

Rabbit Nesting Egg 5pc./4"

Attached ears, head, and feet turn the egg into a lovely rabbit. But wait! They multiply as fast as... rabbits: one, two, three, four cute, cuddly bunnies inside, each a unique color! A rabbit gift for any time of year.
