

Halloween Doll 5pc./6"
 After years of development, we're pleased to announce we have produced the ultimate in Halloween matryoshkas. A ghoulish witch hides under her cloak a skeleton, a vampire drinking a bloody Mary, a black cat, and her pet spider Igor. The craftsmanship is excellent, the glittery accents perfect. This Halloween doll will cast a spell over you.

Halloween Cats Doll 5pc./5"
 Five black kitties wait for trick-or-treaters, purring contentedly alongside their jack-o-lanterns. The purrfect October gift for the cat lover who enjoys decorating for the fall season. Nesting doll collectors will prize it year round. Pay careful attention to the catchy eye color of these spooky felines!

Wizard of Oz
 We now offer two dolls based on Frank Baum's American classic written a century ago, but never loved more than today. There's no place like home...and there's no better way to portray the Oz folk than on a nesting doll, where Dorothy looks inside herself to find one character after another. If you're as crazy about Oz as we are, you'll be ecstatic when either or possibly both of these dolls arrive at your Kansas farmhouse.

Wizard of Oz Doll 7pc./6"
 Dorothy and Toto are followed by her buddies in the order she found them: Scarecrow, Tin Man, and Cowardly Lion. Then Glenda the Good floats forth, followed by the hat of the liquidated Wicked Witch of the West, and lastly, the hot air balloon that took off with the Wonderful Wizard, but without Dorothy.

Irish Nesting Doll 5pc./6"
 This authentic Russian nesting doll is a most unique Celtic gift idea. An Irish stepdancer, a spry leprechaun with his pot of gold, an Irish angel, a claddagh wedding ring, and a shamrock all make this matryoshka as Celtic as they come. A wonderful St. Patrick's Day gift, or creative Irish gift for any occasion.

Union Generals Doll 5pc./6"
 The Blue and the Grey are now featured on Russian matryoshka nesting dolls: Ulysses S. Grant, Sherman (who burned Atlanta!), McClellan (who's famous cavalry saddle bears his name now), Meade, and McDowell made it onto our Union Generals Doll.
#183053

Confederate Generals Doll 5pc./6"
 The South may have lost the war, but our gallant heroes won a spot in history and have even made it on to Russian nesting dolls: Robert E. Lee, Stonewall Jackson, Forrest, Stuart, and Longstreet.
