RAGGEDY ANN Lollipop Chime Doll 5"
The chime doll, or nevelashka as the Russians call it, does not open like a nesting doll, but rocks from side to side at your touch, emitting a delightful chiming sound. A fun nursery item.

RAGGEDY ANN Birthday Doll 5pc./6"
Johnny Gruelle created RAGGEDY ANN back in 1915. Early in 2005 we started celebrating her 90th anniversary with the release of this officially licensed nesting doll. This matryoshka depicts RAGGEDY ANN receiving a gift at her party, two of her favorite friends, Fido and Little Brown Bear, tea ready to serve, and a slice of birthday cake.
